Freedom of Information Request: 0027 2019/20

University Hospitals Birmingham NHS Foundation Trust (UHB) completed a merger by acquisition of Heart of England NHS Foundation Trust (HEFT) on 1st April 2018. Due to historical differences in data collection/reporting across UHB and the former Heart of England NHS Foundation Trust this response has been provided by hospital site.

I'm looking for the number of people aged 65+ who were discharged between 22.00 and 06.00, for each month between January 1 2018 and December 31 2018.

I further request the information, if possible, to be broken down into ages 65-74, 75-84, 85+ for the discharged patients.

Could I also have detail of how many patients were discharged to their home, to a nursing home, care home, rehabilitation, transferred etc. and whether their relatives were informed?

Please see below.

Please be advised that in some categories there are less than 5 patients who were discharged to the specified location over the timeframe specified. Releasing the exact figure could lead to these patients being identified. We are therefore withholding this information under section 40 of the Freedom of Information Act.
