

Freedom of Information Request: 0137 2019/20

University Hospitals Birmingham NHS Foundation Trust (UHB) completed a merger by acquisition of Heart of England NHS Foundation Trust (HEFT) on 1st April 2018. Due to historical differences in data collection/reporting across UHB and the former Heart of England NHS Foundation Trust some responses have been provided by hospital site.

<u>My request:</u>	<u>Your response:</u>
Which Web Filtering Solution do you currently have implemented at the trust?	Queen Elizabeth Hospital: McAfee & Sophos Heartlands, Good Hope, and Solihull Hospitals: Sophos
Who was this purchased through?	Insight UK
How many users does your web filter support?	8000
How much is the current contract value and how many years does this cover?	We do not hold this information. The solution is a UTM, which covers more than web filtering.
When is the Web Filtering contract due to expire?	January 2023
Who is currently in charge of evaluating and renewing web filtering solutions?	Technical Infrastructure Manager
