

Freedom of Information Request: 0608 2019/20

University Hospitals Birmingham NHS Foundation Trust (UHB) completed a merger by acquisition of Heart of England NHS Foundation Trust (HEFT) on 1st April 2018. Due to historical differences in data collection/reporting across UHB and the former Heart of England NHS Foundation Trust this response has been provided by hospital site.

ReSPECT evaluation Freedom of Information questions

For each of the acute hospitals in your Trust that admits adults and participates in the National Cardiac Arrest Audit (NCAA) please provide the information requested below. Please complete a separate form for each hospital.

Hospital name:	Queen Elizabeth Hospital Birmingham
----------------	-------------------------------------

1. In the table below please complete the following:

- Since 1st January 2015 what systems have been used at the hospital for recording advance decisions for use in a medical emergency for adult patients (over the age of 18)?
- When did the hospital start and finish using each system (please give month and year).

System	Not Used	Used	If used:	
			Start date MMM-YY; e.g. Aug 16	End date MMM-YY; e.g. Aug 16 If still currently in use please write in "to date"
Do Not Attempt Cardiopulmonary Resuscitation (DNACPR) only	<input checked="" type="checkbox"/>	<input type="checkbox"/>		
A separate DNACPR form plus a separate treatment escalation plan	<input checked="" type="checkbox"/>	<input type="checkbox"/>		
Recommended Summary Treatment Plan for Emergency Care and treatment (ReSPECT)	<input checked="" type="checkbox"/>	<input type="checkbox"/>		

Other Emergency Care and Treatment Plan/Treatment escalation plan e.g. TEP, UFTO (Universal Form of Treatment Options)	<input checked="" type="checkbox"/>	<input type="checkbox"/>		
Other – please specify here: Electronic template (PICS) unique to our hospital – TEAL- treatment escalation and limitation which incorporates DNACPR has been in use since 2015	<input type="checkbox"/>	<input checked="" type="checkbox"/>		

2. If the hospital named above has used ReSPECT, please answer the following questions: Not Applicable

a. When the hospital started using ReSPECT for adult inpatients how was it implemented? (*Please tick one*)

• Across the whole hospital all at once	<input type="checkbox"/>	- <i>end of questions</i>
• Implemented in stages (e.g. piloted in a few wards first)	<input type="checkbox"/>	- <i>please answer question b</i>

b. If implemented in stages are all adult inpatient wards/units currently using ReSPECT? (*Please tick one*)

• Yes	<input type="checkbox"/>	- <i>please answer question b.(i)</i>
• No	<input type="checkbox"/>	- <i>please answer question b. (ii)</i>

(i) If yes, what was the date ReSPECT was fully rolled out across all adult inpatient wards/units?

Date (dd-mon-yyyy):	
---------------------	--

(ii) If no, approximately what percentage of adult inpatient wards/units currently use ReSPECT? (*Please tick one*)

• 75-99%	<input type="checkbox"/>
• 50-74%	<input type="checkbox"/>
• 25-49%	<input type="checkbox"/>
• 1-24%	<input type="checkbox"/>

Hospital name:	Heartlands, Good Hope and Solihull Hospitals
----------------	--

1. In the table below please complete the following:

- a. Since 1st January 2015 what systems have been used at the hospital for recording advance decisions for use in a medical emergency for adult patients (over the age of 18)?
