

**FOI REQUEST NUMBER: 5772**

I would be grateful if you could confirm to me the number of women using maternity services in your hospitals with a diagnosis of an Autism Spectrum Condition (including Asperger's Syndrome).

I would like this information broken down for each year from 1 January 2013 to 31 December 2017 inclusive please.

If you record your data annually from April – March, please just confirm the data for each recording year, with the number of women shown and the period that this covers.

If possible, please break down the numbers recorded at each hospital, showing each hospital the figures relate to.
