**Adjuvant Melanoma**

**In the past three months how many patients were seen who had stage III resectable melanoma ?**

Trust does hold this information, however we estimate that compliance with your request would exceed the appropriate costs limit under section 12 of the Freedom of information Act 2000. This is currently £450 and relates to the cost of reviewing individual medical records to to identify the stage and assess if any were resectable

or not a We can tell you that there were 145 confirmed melanoma cases in the past 3 months.

**Of all stage III patients seen, how many received a complete resection?**

As above

**Of all stage III patients seen, how many were stage III a?**
