Dress Code and Uniform Policy V3.1

1. Circulation

This policy applies to all staff working for or on behalf of Heart of England NHS Foundation Trust (HEFT) including permanent, temporary, pre and post-registration students and Nursing Associates.

2. Scope

This policy includes the required standards of dress for all staff in both clinical and non-clinical areas of the Trust. Minimum standards are summarised under the following headings:

- Identity Badges
- Hair
- Tattoos
- Make-up
- Jewellery
- Footwear
- Clothing

3. Exclusions

Contract staff are not included in this policy, but instead are subject to the Management of Contactors Policy 2015.

4. Definitions

For the purpose of this policy, the following definition applies:

Clinical Area - any place where patients are receiving clinical attention - ie. wards, clinics, theatres therapies, medical imaging, phlebotomy and satellite units **(this list is not exhaustive)**.

5. Rationale for Development

- HEFT has an agreed standard of dress that actively contributes to the public image and gives confidence to those that use the services offered, and patients, visitors and other staff are able to distinguish between different professional groups and the seniority of roles.
- The Trust ensures that standards of dress support patient safety and safe work practices for employees, and meet all relevant legislation.

6. Aims and Objectives

- To provide staff with clear guidance on what is, and is not, acceptable in the standards and items of dress that they wear whilst at work.
- To provide managers with clear guidance on standards to ensure compliance is maintained against the policy.
- To promote and protect the Health and Safety of HEFT staff, patients and visitors.
- To ensure legislation is met.
- To protect the professional reputation of the Trust and promote user confidence.

Dress Code and Uniform Policy V3.1

7 Standards of Dress All Staff

Bare below the elbows is mandatory for all staff in clinical areas. Any staff that are non-compliant may be subject to a disciplinary investigation.

- 'Bare below the elbows' applies to all staff regardless whether working permanently or just visiting a clinical area (i.e. wards and outpatients).
- All staff should dress and wear clothing that makes hand hygiene both easy and effective.
- Wristwatches and all below the elbow jewellery must be removed when attending to patients; a wedding/plain band ring (without stones) is permitted. For staff wearing uniform, bare below the elbow applies at all times.
- The wearing of "fitbits" or any other electronic fitness monitoring devices are not permitted to be worn on the wrist in the clinical area, nor by those in uniform regardless of being in a clinical area or not.

Identity Badges & Other Badges

- The official Trust ID name badge identifying the staff member and their designation must be worn where it is clearly visible at all times.
- All ID Badges are supplied by the Trust on clips, non-clinical staff who choose to wear a lanyard, can wear a Trust, NHS, or a plain black or navy lanyard only.
- **Lanyards are not permitted** to be worn in the clinical area by any staff groups.
- Clinical staff will be permitted to wear a maximum of two professional/ campaign badges on their uniform.
- No staff groups are permitted to wear any offensive or political statement badges whilst on duty.

Hair/ Beards

- Extreme hairstyles or colours will not be permitted, where they detract from the individual's role and function. Hair colour must be within the natural spectrum.
- All staff working in or visiting clinical areas, including all staff in uniform must ensure long hair is secured off the face and collar.
- Beards should be short and neatly trimmed or secured when patient contact is involved.

Tattoos

- Visible tattoos should not be offensive to patients, visitors or other members of staff.
- Where they are deemed to be offensive they should be appropriately covered.
- Any visible tattoos that make a political statement must be covered
- In the clinical area 'bare below' the elbow rules apply regardless of any tattoos and any patient contact.

Make-Up & Perfume/Aftershave

- Must be discreet and non-offensive
- False eyelashes are not permitted.

Jewellery & Piercings

- Jewellery must be kept to a minimum.
- Clinical staff are permitted to wear one plain wedding band (without stones) one pair of small plain stud earrings only.
- Fob watches worn with uniforms must be functional and not adorned with gems which may present a risk of coming detached.
- Facial jewellery is not permitted.
- **Security of jewellery that the employee has been asked to remove remains the responsibility of the wearer. The Trust is not liable for any loss.**

Dress Code and Uniform Policy V3.1

Footwear

- Footwear must be safe, sensible, and stable, in good order, be smart and clean and have regard to Health and Safety considerations.
- “Flip flops”, thong style sandals, canvas style pumps or crocs are not considered to be suitable footwear, and **are not permitted for any staff groups.**
- All line managers should take a pragmatic approach when on occasions it may be necessary for staff to deviate from agreed footwear on medical grounds. Line Managers should discuss the options with the individual concerned and where necessary seek advice from Health and Well Being Service, a risk assessment may be required.
- Very high heels (heel height greater than 3 inches/7 cm) and open toe sandals can pose a risk to the individual and are not permitted.
- Certain jobs require staff to wear protective footwear. These staff must wear the correct footwear whilst undertaking their work, and if staff are uncertain, must check with their line manager.

Ties (including bow ties)

- Ties are not permitted to be worn in any clinical area and must be removed for activities involving patient contact. They perform no beneficial function in patient care and have been shown to be colonised by pathogens.

Veils/ Religious Adornments

- Veils are not permitted to be worn by any staff when on duty; this is to ensure that the member of staff is identifiable, and to enhance engagement and communication with patients, visitors and colleagues.
- In the clinical area a scarf [Hijab] or turban may be worn for cultural or medical reasons only [plain dark colours to be worn and free from adornment, ensuring it is well secured [to prevent need for frequent adjustment]. Headscarves must be changed and washed daily.
- Sikh Kara (bangle) are permitted for clinical staff, but the individual should ensure it is worn at mid forearm or above at all times.
- Clinical staff may wear a visible faith symbol for religious reasons; this would be a small discreet badge on their lapel.

Unacceptable Dress

The following items of clothing are examples of those deemed unacceptable and are not permitted, this list is not exhaustive and managers are advised to consider items which do not portray the professional image of the organisation.

- Gym clothes, rumpled or ripped clothing, (micro) miniskirts, underwear as outerwear, inappropriately tight clothing, revealing attire such plunging necklines, bare midriffs, maxi-dresses or maxi skirts (ankle length) and offensive slogan t-shirts.
- To maintain the professional image of the Trust adherence to dress codes needs to be adhered to every day and the option for a **“Dress Down Day” is not permitted.**

Funding Raising / Charity Events

- Any individuals or teams wishing to participate in either a local or national fund raising event and wish to dress accordingly must seek permission from their Head of Department.
- For any staff groups with direct patient contact including administrative and ancillary staff consideration will be given by the Head of Department as to the impact on delivering care and patient groups affected - ie. Paediatrics - it may be appropriate for staff to participate and dress accordingly.

Dress Code and Uniform Policy V3.1

Smoking

- All staff without exception must comply fully with the Trust's Smoke Free Policy.
- All members of clinical staff that choose to smoke whilst on break must ensure **their uniform is covered by an outdoor coat that is fully fastened**, to reduce the smell of tobacco on the clothing.
- Cardigans are not considered outdoor wear and are not accepted.
- Under no circumstances should staff in uniform be observed smoking when off the premises.
- **Staff who fail to adhere to this may face disciplinary action.**

Bags

- Any staff who carry personal and work items in a bag must not wear these bags when carrying out direct contact with a patient.

7.1 Additional Standards of Dress for All clinical Staff Groups

Medical Staff

A scrub style uniform is available for medical staff which is permitted in designated areas such as Emergency (ED) and Acute Medical Unit (AMU), Critical Care, Endoscopy, Interventional radiology and neonatal unit (NNU).

- Medical staff must maintain a professional image at all times and adhere to all standards in section 7.0 of this policy.

Allied Health Professionals

- Some Allied Health Professionals will be issued with an agreed national uniform which they are expected to wear whilst on duty. This may include a complementary cardigan to wear when travelling between departments.
- Radiology, Occupational Therapists, Physiotherapists & Pharmacy Technicians will be issued with appropriate sets of uniforms, with a choice of tunic/trousers, polo shirts or dresses, or a combination.
- Due to the nature of therapy, Occupational Therapists and Physiotherapists may wear wipeable training shoes that are smart, clean and plain white or black only.

Other Health & Professional Groups

- Clinical Scientists and laboratory staff are expected to comply with this policy and also comply with regulatory and good practice requirements that reflect the individual work environment and materials that are handled.

Nursing /Midwifery /Advanced Clinical Practitioners (ACP)-Staff Who Wear Uniform

Nursing, Midwifery and ACP staff must comply with the key principles outlined within this policy. In addition the following standards are also applicable. All nursing, midwifery and all ACP staff in uniform must adhere to the uniform policy **irrespective if they have patient contact**.

- Nails are to be kept clean and short, false nails gel tips, nail varnish including clear polish are not permitted by any staff who wear uniform regardless if they are in a non-clinical role.
- False eyelashes are not permitted.
- The chewing of gum is not permitted when in direct patient contact as this does not promote a professional image of the Trust.
- Rings with stones, wristwatches, electronic fitness monitoring devices and facial jewellery are not permitted to be worn by any nurse, midwife or ACP in uniform.
- A plain wedding band, a small pair of plain discreet stud earrings are the only permitted jewellery that may be worn. Ear stretchers are not permitted.
- Shoes must be black, low heeled (less than 3cm or 1 inch) with a closed toe and heel with a non-slip sole, made of wipeable material "Croc's" or any canvas style pump are not permitted.

Dress Code and Uniform Policy V3.1

- Plain dark socks (navy or black) may be worn with trousers; plain tights can be worn with dresses and will be either flesh coloured or black.
- Anti-static clogs may be worn in designated areas but not outside of the trust buildings and must be worn with a heel strap. Footwear must be appropriate for the environment.
- Cardigans must not be worn when attending to patients. Smart plain black or navy blue cardigans can be worn when travelling between departments and wards.
- Vests or T shirts must not be visible under uniforms.
- Nursing and Midwifery staff may choose to wear a uniform dress with optional petersham belt and own decorative buckle (belt must correspond with uniform colour) or to wear tunic and trousers.
- **The wearing of decorative cuffs for Band 7 and above is prohibited**
- Only agreed designated departments, (ie. Emergency Department, Endoscopy, Interventional Radiology and Neonatal Unit) will wear scrub style tunic and trousers.
- Uniforms must be changed daily/for each shift and enough supplied at commencement of employment to allow for this.
- Uniforms should not be worn at outside events unless permission has been granted by the Chief Nurse.
- Nursing and Midwifery staff must not undertake any modification to their uniforms, hemming trousers and a dress to the correct length is acceptable.
- Staff are not permitted to replace items of uniform with their personal preference - ie. wearing own **non-uniform trousers is not permitted.**
- Nurses and Midwives that are pregnant will be supplied with a maternity uniform; the individual must liaise with their line manager to ensure uniforms are ordered in a timely manner.
- Individuals are responsible for liaising with their immediate line manager for replacement uniforms when current uniforms do not fit or have become worn or damaged.

Nursing/ Midwifery ACP Titles and Uniforms

- Only the titles and uniforms stated in attachment one are accepted at HEFT. Any nursing, midwifery or ACP staff groups who wish to deviate from the approved list must seek permission from the Chief Nurse.

Travelling in Uniform

- The organisation acknowledges that staff changing facilities are not available in every clinical area and employees have to travel to and from work in uniform.
- Uniforms must be covered by an outdoor coat for any staff using public transport.
- It is acceptable for staff to change out of their tunic into an alternative top for purpose of travelling.
- Wearing uniform in shops, restaurants or any other public place is not permitted unless your purpose for entering these premises is in your role as Healthcare Practitioner.

Community Staff

- It is accepted that staff working in the community will wear their uniform while travelling between patients as they carry out business on behalf of HEFT, it is reasonable that staff may need to purchase petrol during their day.
- Community staff will not be permitted to undertake personal business whilst in uniform - ie. shopping banking, etc.

Uniform Laundering

- All uniforms must be washed at the hottest temperature suitable for the fabric.
- A ten-minute wash at 60 degrees Celsius will remove most micro-organisms and detergent will remove most organisms if washing at a lower temperature.

Dress Code and Uniform Policy V3.1

- If any member of staff has an allergy/hypersensitivity to uniform materials, this will need to be confirmed by occupational health in writing to the individual's line manager.

Theatre Scrubs

Only designated staff are permitted to wear theatre scrubs as their normal working uniform. With the exception of Midwives who are delivering babies, interventional radiology / cardiology, NNU and endoscopy staff during clinical procedures.

Members of staff who work in Day Case Units (DCU/DSU), Emergency Department, Critical Care, Endoscopy Units must wear approved scrub style uniforms and **NOT** theatre scrubs.

Theatre staff must wear well-fitted dedicated operating approved theatre footwear. These must be cleaned/decontaminated on a regular basis, particularly when visibly dirty or when contaminated with blood or body fluids.

Staff who are cold may wear a non-visible t-shirt under their scrub top.

Only staff who are scrubbed are permitted to wear a "sterile" green gown.

Staff will not be permitted to enter the restricted areas within theatre who are not dressed in the appropriate theatre attire except in an emergency.

Theatre staff in scrubs or clogs must never enter non-clinical areas such as a library, educational facility, restaurant, café or shop within the Trust premises this applies to all grades and professions of staff.

Clean scrubs must always be worn; soiled or contaminated items must be changed as soon as possible.

Theatre management must ensure that local mechanisms are in place for these procedures to take place.

In exceptional circumstances clinical staff may be required to wear theatre scrubs in the clinical area for the following reasons;

- The clinical area is in lockdown due to infection outbreak and staff will not be permitted to leave the clinical area in scrubs or uniform.
- When a uniform has become soiled or damaged whilst on duty and a clean uniform cannot be obtained.
- In exceptional circumstances when uniforms have not arrived for a new employee commencing in post. Theatre scrubs may then be worn in the clinical area, but the individual must change into these on the premises and change out of the scrubs at the end of the shift.

Under no circumstances are staff permitted to travel to and from work in theatre or department scrubs. Any member of staff found to be wearing theatre scrubs outside of the hospital may be subject to disciplinary investigation.

7.2 Use of Apron and Gloves

- All clinical staff must use appropriate gloves and aprons to protect themselves and their clothing from contamination.
- Clinical staff must ensure their uniforms are covered by a disposable apron when undertaking food handling or preparation.

Dress Code and Uniform Policy V3.1

7.3 Catering Staff & Ward Food-Handlers

- All Catering staff involved in the preparation and service of food must wear the appropriate uniform, headwear and, where required, protective shoes.
- Staff working in a kitchen environment must ensure that their hair is kept covered at all times, and beards must be covered with an appropriate facial mask when preparing food.
- All catering staff must adhere to the dress code as agreed in the Food Hygiene Policy 2015.
- All catering staff are to be issued with a clean uniform on each day of duty, or more frequently if necessary.
- Staff protective clothing must be laundered either by the Trust laundry or in exceptional circumstances when this has been agreed by staff at home.
- Catering Staff must not wear jewellery or false nails in food preparation and service areas a single plain ring is permitted.
- Clip on and pierced earrings are prohibited and facial piercing is not permitted. Nail varnish, strong perfume or aftershave must not be worn.

7.4 Estates & Facilities Staff

Some staff within this directorate has specific clothing requirements based upon the need for:

- Personal safety.
- Statutory regulatory requirement.
- Work environment (including outside working).
- Infection control.
- All Domestic, Laundry, Portering and Driving Staff must wear their issued uniform at all times whilst on duty.

7.5 Volunteers - Standards of Dress

- All volunteers must have a Trust identification badge, a uniform is provided for some volunteers either a polo shirt or tabard with the Trust Volunteer logo on.

7.6 Personal Protective Clothing

A number of clinical and non clinical staff groups are required to wear protective clothing as part of their individual role. The principles are based upon the need for:

- Patient safety.
- Personal safety.
- Statutory regulatory requirements.
- Work environment.
- Health and safety requirements.
- Infection control requirements.
- All managers must ensure that personal protective clothing and equipment is available to the employee in accordance with COSHH regulations and local/statutory recommendations.
- Staff in roles that require protective clothing are required to wear this whilst carrying out their duties in accordance with health and safety requirements.
- If individuals are unsure about such requirements they should discuss this with their manager.
- The Trust's Personal Protective Equipment Regulations at Work Policy should be consulted if more information is required.

Dress Code and Uniform Policy V3.1

8. Responsibilities

8.1 Individual Responsibilities

Chief Executive

The Chief Executive retains overall responsibility for the implementation, monitoring and renewal of this policy. This responsibility can be delegated.

Executive Directors

All Executive Directors are responsible for the implementation of this policy within their areas.

Line Managers

All line managers are responsible for both the monitoring of this policy and ensuring all new employees are aware of this policy on induction.

If members of staff are required to wear uniform, line managers are responsible for ensuring all employees are issued with the appropriate uniform/personal protective equipment on appointment to their post.

When an employee requires replacement uniforms due to damage, or wear and tear the line manager must ensure the uniform is replaced promptly.

Line managers should report to heads of departments where there are issues over funding for agreed uniform or equipment.

Managers should ensure lockers are available for any staff that is required to keep a spare clean change of clothes at work during a shift.

Managers should ensure that all members of staff have enough sets of uniform to wear clean items on each shift.

Although this policy is not exhaustive managers are expected to apply a common sense approach to advising staff who are non-uniform wearers.

Any line managers that are found not to challenge their staff over non-compliance with this policy may be required to provide an explanation to the Trust Executive Board.

Individual Staff Responsibilities

All staff must accept personal responsibility to ensure they comply with this policy, and where uniform/equipment has been issued, that it is worn as stated within this policy.

When uniforms become worn, damaged or need replacing, the individual should bring this to the attention of their line manager.

Any items of uniform or equipment remain the property of the Trust and should be returned upon termination of employment.

Other Staff / Patients / Contractors

Please refer to Management of Contractors Procedure 2015.

Human Resources Team

The Human Resources Team will ensure support is available to individuals and managers to resolve concerns over compliance with this policy, and will consult with the Equality and Diversity team where appropriate.

9. Training Requirements

The implementation of this policy will be facilitated through the local induction arrangements of all areas of the Trust.

10. Monitoring and Compliance

Responsibility for ensuring all staff are aware of and remain compliant with this policy belongs to the line managers within each of the Clinical and Corporate Groups. Monitoring of nursing and midwifery adherence to policy is conducted monthly via the Nursing and Midwifery Care Indicators. A continuing breach of this Dress Code and Uniform Policy and the standards explicitly described within it, will lead to more formal action through the Trust's Disciplinary Procedure.

An annual report will be presented to Workforce Strategy Group which will consist of:

- An annual report from the Nursing Directorate which summarises the issuance of Professional Practice Performance Notice for non-compliance with uniform.
- For Non nursing staff, HR will provide a summary of the disciplinary cases leading to dismissal where breaches of the uniform policy were specifically mentioned.
- An analysis of problems/trends will be conducted.
